| SPOTLIGHT |

First job: Project electrical engineer,
WB Engineers, Woburn

Previous job: Associate principal,
WB Engineers, Boston

Professional achievement: "Helping WB's
Massachusetts office grow from a three-person
operation located in the suburbs of the city
to a 21-person firm in Boston."

Professional priority: "To expand WB's
reputation as an industry leader in the MEP
(mechanical, electrical, plumbing) and IT
consulting services. ... I will work to ensure
that we are keeping up with and
utilizing all available design
technologies, including growing
our current BIM (Building
Information Modeling)
capabilities."
